◆ Carbon Fund - €132.5 million in commitments

- Spain - €47.5 million
- Endesa - €35 million
- Sweden - €20 million
- Norway - €20 million
- E.ON - €10 million

◆ Carbon Asset Development Fund

- Sources of Funds - \$27.5 million
- Uses of Funds - \$10.2 million
- Balance at end FY12 - \$17.3 million

Plans for the Coming Year

- ◆ The major focus for the coming year will be achieving substantial progress on the programs in the pipeline.
 - The most important objective will be to successfully register the Brazil, Morocco, Vietnam, China and Thailand programs in the CDM by the end of 2012. (Tanzania program not subject to this deadline.)
 - Present programs to Buyer Participants for inclusion in the First Tranche portfolio as programs are ready; seek to conclude ERPAs as each program is included in the First Tranche portfolio.
 - Work closely with Seller Participants to support the addition of project activities (CPAs) to the PoAs.
 - Strengthen Seller Participant management systems and capability to manage the CDM monitoring, verification and issuance process.

- ◆ Another important objective over the coming year will be to progress work on the development of new market mechanism pilots.
 - Conceptual work on blueprints
 - Program identification
 - Explore possibility of developing the *Amman Green Growth Program* and *Egypt Wind Program* as NMM pilots
